## 3rd CALL FOR PAPERS

### CS CON 2015

13<sup>th</sup> New Zealand Computer Science Research Student Conference (NZSCRSC)

April 9 – 10, 2015 at the University of Auckland

For more details, visit the conference web site <http://2015.nzcsrsc.nz>

We are inviting post-graduate students in computer science to submit full and short papers to this long-standing conference.

### **Paper submission deadline has been extended to 18 January 2015!**

The CS CON 2015 is shaping up to be an awesome event. This is a great opportunity for students to showcase their work, network and collaborate with their peers, industry representatives and experts in their domain. It is also a great opportunity to learn, connect and explore future prospects.

In addition to the main research track, CS CON 2015 will feature skills workshops, opportunities to mix with industry, and a special session on women in tech, joined by Rane Johnston-Stempson from Microsoft Research. There will also be great prizes including the best poster, lightning talks, and full paper presentation.

**Conference attendees presenting a paper, poster or lightning talk are eligible to apply for a travel grant, contingent to pre-registration on the website. Full registration process and travel scholarship details will be announced in early January 2015.**

### TOPICS OF INTEREST

The conference incorporates all major research areas in Computer Science including (but not limited to) the following:

Algorithms and Data Structures	Human Computer Interaction
Artificial Intelligence	Image Processing
Bioinformatics	Information Systems
Computer Vision	Intelligent Tutoring Systems
Computer Theory	Internet Security
Data Mining	Knowledge Engineering
Databases	Machine Learning
Digital Libraries	Network Engineering
Distributed Systems	Pattern Recognition
e-Science	Programming Languages
Formal Methods	Software Engineering
Genetic Programming	Virtual and Augmented Reality
Graphics	

### PAPERS

Submissions are now being accepted for:

Full papers (with presentation) not exceeding 8 pages.

Short papers (with poster/lightning talk) not exceeding 4 pages.

All papers must be in PDF format and follow the ACM style guidelines:

<http://www.acm.org/sigs/publications/proceedings-templates>

# CS/con/2015

Papers will be submitted through EasyChair:

<https://easychair.org/conferences/?conf=nzcsrsc2015>

Papers must be written by a student author and reflect the student's own research. Papers can contain research in progress i.e. research does not need to be complete for a paper to be accepted. Papers may be co-authored as long as the primary author is a Computer Science research student at the time of submission and is affiliated with a New Zealand university. Papers extending work published in previous NZCSRSC are also accepted, provided the advancement is significant.

The NZCSRSC is a peer-reviewed conference. By submitting a paper, each student author agrees to be a reviewer. For each paper an author submits, they will receive two/three papers to review during the review period.

## IMPORTANT DATES

Paper Submission Deadline: **18 January 2015**

Review Period: **30 Jan to 15 Feb 2015**

Notification: **20 Feb 2015**

Camera-Ready deadline: **6 March 2015**

## CONTACT DETAILS

Queries regarding the call for papers or submissions:

Programme Chair

Prashant Gupta, University of Auckland

[p.gupta@auckland.ac.nz](mailto:p.gupta@auckland.ac.nz)

General contact and queries:

Communications Chair

Johannes Dimyadi, University of Auckland

[jdimm006@aucklanduni.ac.nz](mailto:jdimm006@aucklanduni.ac.nz)

CS / CON / 2015

@ Auckland Uni  
8-10th April 2015

- Cash prizes for best posters and lightning talks
- Special session to celebrate and inspire women in tech, with guest speaker Rane Johnson-Stempson
- Skills workshops and participatory sessions
- A special Microsoft Research Award (details soon!)
- Industry night and social mixers
- Fully funded travel support for students based outside of Auckland
